

You're Invited to

O'hare/Kennedy Holiday Inn - Rosemont, Illinois

The First National Gathering of Pinball Collectors and Enthusiasts

If you collect pinball games (or just enjoy playing them!), you won't want to miss "PINBALL EXPO '85". This is the definitive show for the world of pinball, featuring a "who's who" of pinball experts — game designers, authors, technical authorities and more. The seminars and panel discussions will let you find out firsthand the answers to all of your pinball questions. And you'll be able to meet your fellow pinball collectors from around the country.

You'll also enjoy the large exhibit hall, featuring everything from countertop pins to the latest electronic flippers. Collectors will display their favorite pinballs, hard-to-find parts, literature and more in the exhibit hall, much of it for sale or trade, so be sure to bring your want list.

Among the manufacturers expected to show off their latest are Bally, Williams, Premier, and Game Plan, but private collectors are also invited to exhibit.

Several pinball supply manufacturers will also exhibit their goods including Foremost Plastics (plastic bumper caps, etc.), Electrical Windings (coils), Wico Corp. (parts of all kinds) and Wildcat Chemical Co. (pinball cleaners). Also exhibiting will be Expo Assistant Coordinator, Bill Kurtz and Director of Operations of the Fun and Games Arcade Chain, Mike Pacak. Their collections of pinball brochures number well over 10,000. Topping off the exhibitors will be Merit Industries which has a stockpile of over 6,000 pieces of original factory fresh pinball backglasses! . . . For exhibitor information, contact PINBALL EXPO '85 headquarters at 2671 Youngstown Rd., S.E., Warren, Ohio 44484.

As an added attraction, PINBALL EXPO '85 has arranged a tour of the Premier Technology pinball manufacturing facility. Continuing the Gottlieb tradition, Premier has already become a major pinball manufacturer in its short history. You'll be able to see the step-by-step pinball design process, and meet the designers who create the games. Bus service will be provided from the Holiday Inn to the Premier Technology plant.

The highlight of the weekend will be a banquet honoring special guest Alvin Gottlieb. Because of limited banquet facilities and bus seating, you MUST pre-register before Nov. 12, 1985 if you would like to attend the banquet or Premier Technology tour.

So make your plans now to attend PINBALL EXPO '85 . . . Where The Pinball World Comes Together!
